

Rainbow Unity Community Guidelines

Our Community Commitment

We commit to a community where every person is seen, respected, valued, and safe to belong.

1. Respect Every Identity

All identities are valid and affirmed. No one's identity is up for debate.

2. Practice Intentional Inclusion

We create belonging, not just tolerance. We notice who is missing, who is unheard, and who needs support.

3. Lead with Kindness

We speak with care, listen with intention, and choose words and actions that uplift rather than harm.

4. Choose Growth Over Perfection

Mistakes can happen. We take responsibility, repair harm, and keep learning together.

5. Reject Hate and Discrimination

Racism, homophobia, transphobia, sexism, ableism, harassment, and exclusion have no place here.

6. Protect Safety and Privacy

We honor boundaries, personal stories, pronouns, names, and confidentiality.

7. Center Marginalized Voices

We listen to and uplift the people most impacted by injustice, especially when decisions affect them.

8. Share Responsibility

Everyone helps build a respectful, welcoming, and affirming environment.

9. Speak Up Against Harm

When harm happens, we respond with courage, care, accountability, and support.

10. Celebrate Joy and Community

We make room for connection, resilience, creativity, queer joy, and the sacred work of belonging.

Closing Statement

Rainbow Unity is more than a space it is a commitment. Together, we build dignity, safety, connection, and community.
